The Gibbs House, located at 527 High Street, Denton, Caroline County, MD is not located in an historic district nor is it considered eligible for individual listing on the National Register of Historic Places.

The Gibbs House is a 2-1/2 story gable house built in 1900-1930. The frame structure is covered with asphalt shingles. The windows are two over two. There is a rear attachment which appears to be two stories high. The porch is a shed roof addition to the front.

The dwelling is typical of the domestic architecture of the period and lacks the architectural distinctiveness to qualify for listing on the National Register of Historic Places under Criterion C. The property is not known to have any associations with persons or events significant to our past and is thus not eligible under Criteria A or B.
